

Registered Nurse

We are currently seeking full-time skilled home health registered nurse (RN) to provide in-home skilled care to our mainly geriatric population. We service the following counties: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. We have immediate openings in all areas. This position requires travel from patient home to patient home.

Responsibilities, including but not limited to:

- Providing high quality nursing care to patients in the home setting while maintaining HIPAA compliance.
- Case Management - Case conference with other disciplines, office staff, physicians, patients, and families, as well as care coordination.
- Working with your patient, clinical care team, and their physician(s) to develop an individualized plan of care.
- Prior experience supervising, coaching, and mentoring LPNs.
- Meet documentation requirements for nursing and physical assessments.
- Following COVID-19 guidelines, including vaccine mandates.

Required Work Experience

- Registered Nurse (RN) with current Ohio licensure in good standing.
- Graduate of an accredited school of nursing.
- Minimum of 1 year as a case manager.
- Minimum of 1 year in med-surg, ER, or ICU.
- Additional Requirements
- Current valid driver's license.
- Current valid auto insurance.
- Current valid CPR certification.
- Travel within territory.
- Reliable transportation.
- On-Call rotation.
